Act out a short story together using puppets or toys. Let the children lead the plot, and notice which emotions or situations they bring up.

יְצִירָה

Making a Puppet from a Security Blanket

You can also create a comforting, cheerful puppet from a small blanket or scarf. Tie the fabric at the top or gather it with a hair tie to shape the head, then decorate the face and hair with markers, thread, ribbons, and more.

שְׁמַע

Giving, Growing, and Creating

Like Dina, you can look for a puppet or an object you once loved that could now bring joy to someone else. Decorate a package together and give it to a family member or someone else who could use it.
