My Day in Painting

Draw a long line representing your day from morning to night, the line will go up or down depending on the events that took place during the day. You can also add symbols, for example, sun for a happy moment that was, a cloud for an annoying moment, and so on.

Good day to neighbors

You can make a small tribute to your neighbors together – bake cookies, draw a painting or write a greeting. It's a great opportunity to strengthen the bond, make you happy or offer help, and discover how simple attention can brighten the day for everyone.

Turning Mr. Boim's Day
