כְּלָלִי

A is illustrations

The illustrations in the book are full of small details and full of humor that tell another part of the story. You can search in the illustration of each animal for an object that begins with the same letter. What other events or jokes are hidden in the illustrations?

יְצִירָה

Write and draw your family alphabet together! For each letter you can find one or more

words that relate to the family – names, favorite foods, objects, places you have visited and more.

מִשְׂחָק

Animals in Letters

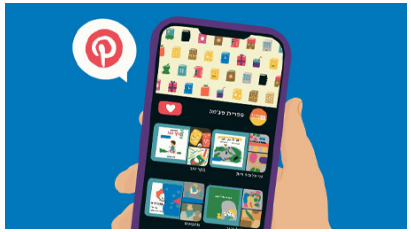

Choose one of the animals in the book and look for items in the house that begin with the same letter. For example: a scarf, a bracelet, a plate – for a lizard. Now you can challenge yourself and try to assemble the image of the animal from the items you found.
