Inside my closet

A shirt? A swimsuit? Perhaps a dress? How about taking a look inside your closet, finding clothes you like, and saying when you usually wear them: Winter clothes, summer clothes, fancy clothes for special occasions, and all-time favorite clothes.

Illustrations — Zebra & friends

The zebra's friends feature in the book's illustrations: You could leaf through them together, find the various friends, name the animals together, and introduce them. Next, you could say the name of an animal you know, and then look for it in among the illustrations contained in this book.
