Words and Melodies

Many of the songs in this book were composed to music. You can take a cymbals, wooden spoons or lids of pots and pans, and accompany the singing by playing music and dancing. Once the children are familiar with the song, you can play a guessing game: starting humming the tune, and invite the children to guess the rest and join you.

What's Hiding in the illustration?

Open the book randomly, or at a favorite song, and let each person in turn name an item that everyone else must look for in the illustration: Find in the illustration: Where is the house with a red roof? Where is the pomegranate? Where are the clowns?
